RIBBED & FLUTED PANELS

Fluted Finesse,
Ribbed Radiance

Our Fluted acrylic panels are designed to elevate interiors with their sophisticated texture and practical benefits. Featuring linear patterns, these panels offer a striking visual appeal while effectively diffusing light and maintaining privacy. They are commonly used in partitions, doors, windows, furniture inserts, wall cladding, and shower enclosures, seamlessly complementing modern, industrial, and classic aesthetics. Made from high-quality raw materials, they provide durability, resistance to wear, and a refined finish that enhances any space. Ideal for both residential and commercial applications, our fluted acrylic panels add elegance, depth, and functionality to interior design.

Fluted Panel Size:

8X4FEET

PRIVACY WITH

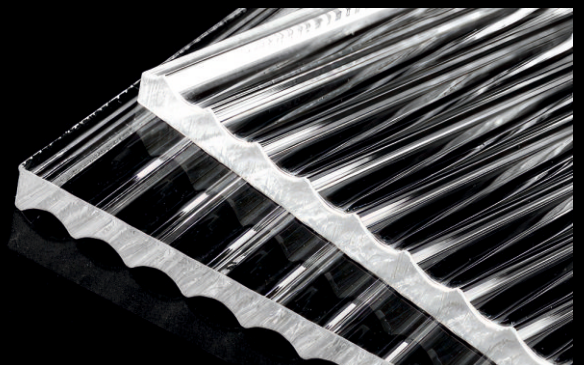

A Touch Of Elegance

Thickness :

4MM

Our fluted acrylic panels combine sleek durability with modern style. With a 4mm thickness, they offer a lightweight yet strong structure, making them perfect for partitions, doors, windows, furniture inserts, and shower enclosures. The textured surface enhances privacy while diffusing light, adding both elegance and practicality to any space.
