SPACES

The background features a dark, textured pattern of wavy, vertical lines. Overlaid on this are several geometric elements: a large dark square on the left, a horizontal dark rectangle at the top right, a vertical dark rectangle in the center, and a thin horizontal line intersecting the central vertical rectangle. Three small dark circles are arranged vertically on the left side of the central vertical rectangle, and a thin yellow circle is at the bottom left.

About

Armasa

Armasa transforms spaces with innovative surfaces that blend durability and elegance seamlessly.

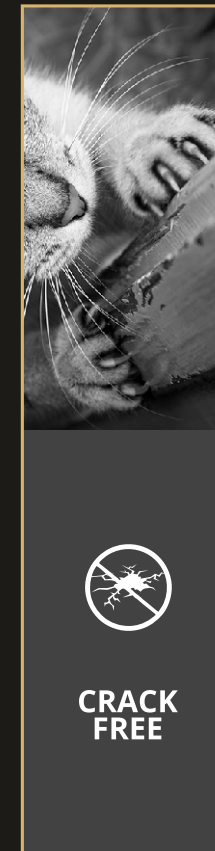

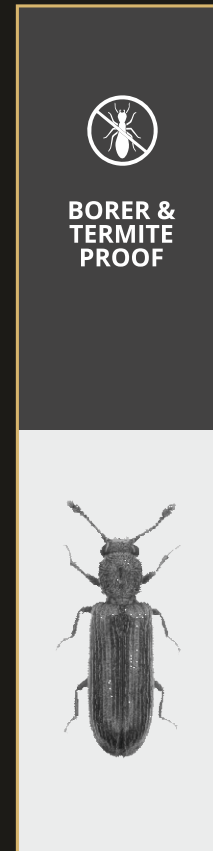

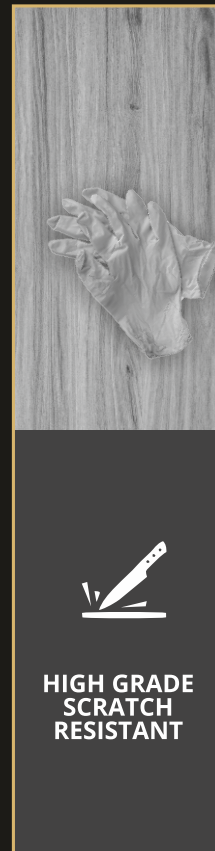

Armasa redefines interior aesthetics with surfaces that tell a story of style and resilience. Each design is a perfect fusion of modern innovation and timeless elegance, elevating everyday environments into extraordinary experiences. With a commitment to quality, Armasa ensures that every product not only enhances beauty but also stands the test of time. Discover how our unique textures and vibrant patterns can inspire creativity in any setting. Transform your space into a masterpiece with Armasa's visionary approach to design.

Disclaimer

The Products are tested to be reasonably free of defects, and when used and fabricated properly they will comply with the applicable manufacturing specifications within realistic deviations. We recommend customers to inspect products properly before installing. Product's warranty in no way covers defects and non-compliance from or otherwise attributable to any other causes, including, without limitation the following:

- Improper handling / transportation / storage
- Improper installation
- Improper or unintended usage
- Lack of or improper maintenance
- Exposure to high temperatures
- Unauthorized alteration to the products
- Outdoor applications
- Do not use plywood with high moisture content
- Do not use ply with uneven surface
- Avoid using inferior quality adhesive
- Apply sufficient pressure
- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations

Size: **1220 MM X 2440MM (8FT X 4FT)**

UV Stability / Weather Resistance

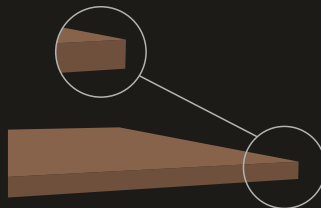

This product is free from UV stabilizers, highlighting its environmental benefits. It supports effortless coloring while ensuring consistent mechanical properties across diverse use. The elastomer maintains its performance even at low temperatures, effectively addressing the drawbacks of conventional plastic materials.

Chemical Resistance

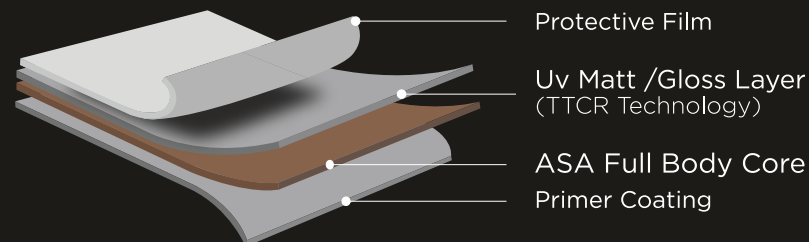

This material boasts excellent resistance to solvents, making it ideal for a variety of applications.
